

Soil/leaf and agrochemical analytical and advisory services rendered by the Division of Soil Science & Agricultural Chemistry, CCRI

Sl. No.	Analytical Services	Charges (Rs.) per sample	
		Small & medium grower sector (< 50 Ac.)	Large growers (> 50 Ac.) & Corporate sector
I. Soil analysis services			
1	Soil pH analysis & lime recommendations	25/-	25/-
2	Soil pH, O.C (%), Av. Major nutrients (N,P & K) with lime and fertilizer recommendations	150/-	150/-
3	Secondary (Ca, Mg & S) and micronutrients (Fe, Cu, Mn & Zn) analysis and recommendation	400/-	400/-
4	Soil pH, O.C (%), Av. Major nutrients (N,P & K) with lime and fertilizer recommendations + Secondary (Ca, Mg & S) and micronutrients (Fe, Cu, Mn & Zn) analysis and recommendation	600/-	650/-
II. Leaf Analysis Services			
1	Analysis of major nutrients (N, P & K) and recommendations	850/-	850/-
2	Analysis of major nutrients (N, P & K) and recommendations + Secondary (Ca, Mg & S) and micronutrients (Fe, Cu, Mn & Zn) analysis and recommendation	1500/-	1600/-
III. Agrochemical Analysis Services			
1	Liming material, single source fertilizers & Copper Sulphate	500/-	550/-
2	Organic manures (pH, E.C., O.C., N, P & K)	600/-	650/-
3	Organic manures (pH, E.C., O.C., N, P & K) + Secondary (Ca, Mg & S) and micronutrients (Fe, Cu, Mn & Zn) analysis	1100/-	1200/-
4	Fertilizer containing more than one nutrient	1000/-	1100/-
